After establishing your fund, you can make additional gifts at any time.

Expendable or Endowed Fund

Endowments are permanent funds established to carry out the donor's philanthropic intentions in perpetuity. In essence, endowments are gifts that keep growing and giving. Assets are invested for growth, and the amount available for grants each year is based on a "spending rule" that currently distributes a maximum of 4.50% of the average market value of the fund over the preceding 12 quarters. (Note: this percentage rate can vary based on the economic growth forecast.)

Expendable funds permit grant distributions in any amount at any time.

My fund is an endowment. It will make grant distributions in perpetuity.

My fund is expendable. It will make grant distributions until fund assets are exhausted, at which time the fund will terminate.

My fund is expendable during the lifetime(s) of the original donor(s). I/we wish the fund to become an endowment upon the death of the last original donor. Please note, this option is currently available to funds with assets greater than or equal to \$250,000. If upon the death of the last original donor the balance in the fund does not meet this required threshold for endowment, the fund shall remain an expendable fund.

Recognition & Thanks

Each grant made from your fund is sent to the grant recipient with a letter. You can choose whether you want to be recognized in that letter, or to appear as "Anonymous".

You will have the opportunity to specify your preferences for recognition each time you recommend a grant. For the default settings:

Do you want the name of your fund included in the letter? Yes No

Do you want the fund Advisor name(s) to be included in the letter? Yes No

The grantees you support may wish to send a thank you letter and other information. Please select your preference for this correspondence:

Please forward all mail from grantee organizations

Please forward thank you letters only

Please do not forward any correspondence from grantee organizations

The Future of Your Fund

You have four options for the administration of your fund upon your resignation, incapacity, or death. Please select your preferred option(s) below and complete the corresponding section(s) on the subsequent pages.

1. Successor Advisor(s):

Name successor Advisor(s) to have advisory privileges (e.g. your children).

2. Designated Beneficiary(ies):

Direct MCF to make grants to support specific nonprofit organizations.

3. Field(s) of Interest:

Direct MCF to make grants to fund organizations working in an identified area(s) of interest and/or geographic area(s).

4. Unrestricted:

Direct MCF to make grants from your fund where the needs are greatest.

Option 1: Successor Advisor(s)

Please select one option below to indicate how you would like your fund to be administered after your resignation, incapacity, or death.

Successor Advisor(s) Work Together

One Fund Advisor: I would like the fund and its name to remain intact with one successor Advisor serving as the primary Advisor. The primary Advisor can make grant recommendations and other decisions for the fund on behalf of all named successor Advisors. MCF will not be responsible for monitoring family agreements regarding grantmaking and investment activities.

Multiple Fund Advisors: I would like the fund and its name to remain intact. All successor Advisors can make grant recommendations and other decisions. MCF will not be responsible for monitoring family agreements regarding grantmaking and investment activities.

Successor Advisor(s) Work Independently

I would like the fund to close and for its assets to be split among new independent funds. Each successor Advisor will have naming and advisory privileges for their new independent fund. Note: Each independent fund will be charged a fee.

Please identify your successor Advisors below.

How much discretion do you want the successor Advisor(s) to have in recommending grants?

Complete discretion. Successor Advisor(s) may recommend grants to any qualified organization. **Limited discretion.** If you select this option, please provide information on your area(s) of interest in the section that follows.

Your area(s) of interest for the future of your fund: If you have chosen to determine the area(s) of interest that grants from this fund should support after you are no longer serving as the fund's Advisor, please describe them:

You may indicate whether you plan to communicate your succession plans with your successor Advisor(s) prior to your resignation, incapacity, or death.

Yes No, I would like to keep my succession plans confidential until after my resignation, incapacity, or death; MCF will then share this information with my successor Advisors.

Option 2: Designated Beneficiary(ies)

In lieu of, or in tandem with, identifying successor Advisors, please indicate the nonprofit organization(s) you wish to support upon your resignation, incapacity, or death. If you wish to identify more than four organizations, please attach a separate sheet to this document.

NOTE: If the organization(s) you selected are no longer in good standing with the IRS or have ceased to exist, MCF will find organizations with closely-aligned missions doing similar work to receive the grant(s), unless otherwise instructed.

Option 4: Unrestricted

In lieu of, or in tandem with, identifying successor Advisors, you may give MCF advisory privileges to make grants from your fund.

Yes, I direct MCF to make grants from my fund where the needs are greatest.

Distribution Schedule

Please indicate your desired timeframe for the distribution of your fund's assets following your resignation, incapacity, or death.

Expendable: Spend the fund down over _____ years.

Expendable: My successor Advisor(s) will decide on a spend-down timeframe or will name subsequent successor Advisor(s).

Endowed: Create a permanent fund from which a limited annual percentage is available for grants (currently 4.50% of a rolling 12 quarter market value average; this rate can vary based on the economic growth forecast).
